| <p>Korean Customs Houses</p> | | <p>In recent years, Busan or Incheon have been the preferred Customs Houses due to work force and ease of access. Korean Customs has opened a new Customs House in Daejeon, which is in a mid-location on the Korean Peninsula. The Korean Government would like to see an increase in the use of this newly opened location. Therefore, Daejeon may become an option for future shipments to Korea.</p> | |
